Mercer University
Travel Reimbursement Policy

Overview
Mercer University pays for necessary and reasonable expenses incurred for properly authorized University travel. Travel reimbursement is limited to the individual traveling for University business and not for those accompanying that individual.
Based on the requirements of IRS ruling (Revenue Ruling 2006-56), Accounts Payable must ensure that Mercer University’s employee accountable plan requires the following:

- There must be a business connection and the expense is reasonable.
- There must be an adequate accounting for the expense within a reasonable period of time.
- All excess reimbursements must be repaid in a reasonable time.

Traveler Responsibility
Individuals traveling on behalf of the University should exercise good judgment when incurring travel expenses. Travelers are responsible for ensuring that incurred expenses comply with all applicable policies and authorizations and are supported with valid receipts and other documentation as required. The traveler’s signature on the Travel Reimbursement Form affirms that these responsibilities have been met. Mercer does not reimburse expenses for spousal/dependent travel.

Documentation
The traveler is responsible for maintaining complete and accurate records and submitting receipts and/or other documentation for expenses incurred as listed below.

- Original detailed receipts.
- No sales tax has been paid (if applicable). Mercer University is exempt from sales tax purchases in the State of Georgia, Florida, Tennessee, and Ohio. For specific questions regarding the payment of sales tax, please contact Charles Mize, Director of Purchasing or Becky Cauley, Director of Accounts Payable and Fixed Assets.
- The account charged has available funding/budget (This can vary based on expected funding for donor accounts.).
- The purchase was an allowable expense by University policies.
- The reimbursement form (Travel/Request for Payment/Travel Advance) is approved by the appropriate person (This approval provides assurance that there is a business connection and the expense was required.).
- The Travel form has proper documentation for mileage and other reimbursement in accordance with IRS guidelines for accountable plans.

In the case where an original receipt is lost or destroyed, the employee must make an effort to obtain a duplicate receipt. If the employee is unable to obtain a duplicate receipt, the employee must submit the completed Lost or Stolen Receipt Affidavit Form.

Transportation
Travelers should use the most economical mode of available transportation during University approved trips. The University will reimburse the traveler at the IRS approved mileage rate for use of a personal automobile. The University has a preferred pricing agreement with Enterprise Rental. To take advantage of preferred pricing and maximize the cost savings, travelers are encouraged to make rental car arrangements with the preferred pricing vendor, Enterprise. The traveler should make airfare arrangements at least three weeks prior to travel to obtain the lowest fare possible. Mercer Engineering Research Center has a separate travel reimbursement policy.

Air travel will be reimbursed (Accounts Payable) or covered (Purchasing card) using the most economical airfare available. Any exceptions to the most economical airfare (medical reasons) should be documented and approved. The traveler is responsible for any expense incurred as a result of lost tickets or change in itinerary due to personal reasons. Expenses incurred due to lost tickets or change in itinerary for business reasons must be documented. Trip cancellation insurance is generally not an allowable expense except in special circumstances, such as group travel.

**Lodging**
The University will reimburse the traveler for the actual costs of the accommodations within a reasonable level. All lodging receipts must be itemized. There may be separate or additional travel requirements for some grants or contracts. Mercer Engineering Research Center has a separate travel reimbursement policy.

**Meals**
The University will reimburse the traveler for actual cost of meals within reasonable limits. Tips in excess of 20% will not be reimbursed. Alcoholic beverages are not an allowable expenditure unless approved for an event by the Senior VP for Administration and Finance. There may be separate or additional requirements for meals by some grants or contracts. Mercer Engineering Research Center has a separate travel reimbursement policy.

**Other Travel Expenses**
Other reimbursable incurred expenses are registration fees, internet access, parking fees, and expenses for baggage handling. Please retain any detailed documentation to support these expenses. Non reimbursable expenses include parking tickets, lost or stolen property, and expenses not related to the approved travel assignment (movies, gym fees, and etc.) Any tips outside of meals must be within reasonable limits.

**Travel Advances**
Travel Advance Forms and the Travel Reconciliation Forms related to a travel advance are submitted to the Systems Accountant to approve and process. Travel Advances should be requested no more than 30 days prior to the trip and must be reconciled within 30 days of the end of travel. There can only be one outstanding travel advance per employee.
